# Kjersten Tucker

**AIA, NCARB, IIDA**

Principal | Project Manager

**SINCLAIR HILLE ARCHITECTS**

## Kjersten is a skilled architect and project manager known for her ability to lead teams and guide clients with clarity, care, and strong organization.

Kjersten is a skilled architect and project manager known for leading teams and guiding clients with clarity, care, and strong organization. With over 14 years of experience, including 9 with Sinclair Hille, she has managed a wide range of project types—particularly higher education, but also K–12, religious, civic, mixed-use, and residential facilities. Her expertise spans project coordination, problem-solving, and client collaboration to keep projects on schedule and within budget. As a Principal and Lead Interior Architect, she brings architectural knowledge and a passion for human-centered design. For the University of Nebraska projects, Kjersten will serve as the direct client contact and project manager, facilitating communication and guiding each phase to ensure the final design reflects the institution's values and goals.

# Michael Harpster

**AIA**

Principal | Lead Design Architect

**SINCLAIR HILLE ARCHITECTS**

## Michael is a talented design architect with over 12 years of professional experience across a wide range of project types and has designed higher-education facilities across multiple Nebraska campuses.

His work reflects a strong understanding of how educational facilities support both academic and social development through collaboration areas, informal meeting spaces, and integrated student resources. As Sinclair Hille's Creative Director, he emphasizes early collaboration with project stakeholders to establish clear goals and a shared vision. Michael's expertise in visualization and storytelling also supports the creation of promotional imagery for fundraising, community engagement, and regulatory approvals.

# David Quade

**AIA, NCARB, CSI**

Principal | Project Architect

**SINCLAIR HILLE ARCHITECTS**

## David is a registered architect in 11 states with over 32 years of experience in construction documentation and administration, including 30 years at Sinclair Hille.

David is a registered architect in 11 states with over 32 years of experience in construction documentation and administration, including 30 years at Sinclair Hille. Nearly 70% of his work focuses on K–12 and post-secondary education, with additional experience in financial, religious, corporate, hospitality, housing, and military facilities. Known for his hands-on construction expertise and meticulous attention to detail, he produces coordinated documents that minimize change orders, and deliver functional, maintainable buildings. Currently coordinating more than $140 million in projects, David ensures quality and efficiency from design through completion of construction.

# Chuck Bachmann

**AIA**

Senior Associate | Project Architect

**SINCLAIR HILLE ARCHITECTS**

## Chuck Bachmann, AIA, is a Project Architect and Senior Associate at Sinclair Hille Architects who has been with the firm since 1990.

Chuck has 37 years of experience in architectural documentation and construction administration across a wide range of project types. Having spent much of his career as a Project Architect and Construction Administrator, he is technically skilled, construction savvy, and a strong advocate for clients. Throughout his tenure with Sinclair Hille, Chuck has developed a broad understanding of how facilities can support the evolving needs of organizations and communities. His diverse project experience provides valuable insight into the relationship between planning, design, operations, and long-term facility performance. Chuck brings a thoughtful, collaborative approach to project teams, helping stakeholders translate goals and priorities into practical, sustainable solutions that support future growth.
